Earn tuition credits while you shop!

## What is it?

You purchase **physical gift cards or electronic gift cards** and earn \$\$\$!

- Each purchase earns a rebate – **admin fees will be deducted from the final total.**
  - Every time you purchase a gift card or e-card, the participating retailer contributes a certain percentage back to you.
    - For Example, you purchase a Home Depot gift card for \$100, the rebate is 4%. You pay \$100 and \$4 goes toward your tuition.
    - E-Card Example: You are out to dinner at the Olive Garden – use your mobile device to purchase an e-card on the spot and that e-card can be displayed immediately to pay!
- Gift cards and e-cards are available for many different area restaurants, retail stores and entertainment sites!
